Hi developer-board members,

I could use your help: I'm trying to find a GC to do a walk-through of 1150 S Hope St and get a quote for TIs (see attached as-is plans and space-plans, graciously provided pro-bono by Jade's in-house architect). I've reached out to a contact at Suffolk, but he's taking his time and I figured you all might have a broader network.

Thanks in advance,

Ellen
